

**UTAH NATIONAL GUARD**  
**PRICE ARMORY BOILER REPLACEMENT**  
**DFCM PROJECT NO. 04144470**  
**MECHANICAL ADDENDUM NO.1**  
**SEPTEMBER 3, 2004**

The following additions, deletions, or clarifications shall become part of the original bid documents:

NOTE: Where products are listed as approved, it is to be understood that they are approved in name only, and that all products must strictly meet the requirements and intent of the plans and specifications. Final approval of the equipment shall be by the engineer. Products that are rejected must be replaced by products that meet the requirements of the plans and specifications according to the decision by the engineer, without increased cost to the owner. Products not listed in this addendum are not approved.

1. Additive Alternate No. 1 shown on Sheet M-1.0 is hereby deleted in it's entirety.
2. No alternate products are approved for this project. Only those products shown on the plans and/or in the specifications are approved for this project.
